FOR IMMEDIATE RELEASE

TMS International Corp. Announces 2013 First Quarter Earnings Date

PITTSBURGH, April 3, 2013 – TMS International Corp. (NYSE: TMS), the parent company of Tube City IMS Corporation, a leading provider of outsourced industrial services to steel mills globally, today announced that it plans to release its first quarter 2013 financial results before the opening of trading on the New York Stock Exchange on Thursday, April 25, 2013 to be followed by a conference call at 11 a.m. Eastern time.

TMS International Corp. officials participating in the call will be Raymond Kalouche, President and Chief Executive Officer, and Daniel Rosati, Executive Vice President and Chief Financial Officer. The call will cover the first quarter 2013 financial results and may include forward looking statements.

The call will be web cast live along with a slide presentation over the Internet from the company's Web site at www.tmsinternationalcorp.com under "Investors." Participants should follow the instructions provided on the Web site for downloading and installing the necessary audio and visual applications. The conference call also is available by dialing 1-800-860-2442 (domestic toll free) or 1-412-858-4600 (international) and asking for the TMS International Corp. first quarter earnings conference call. Following the live conference call, a replay will be available beginning one hour after the call. The replay will be available on the company's web site or by dialing 1-877-344-7529 (domestic toll free) or 1-412-317-0088 (international) and entering the replay passcode 10022571. The telephonic replay will be available until May 10, 2013.

About TMS International Corp.

TMS International Corp., through its subsidiaries, including Tube City IMS Corporation, is the largest provider of outsourced industrial services to steel mills in North America as measured by revenue and has a substantial and growing international presence. The company provides mill services at 81 customer sites in 11 countries and operates 35 brokerage offices from which it buys and sells raw materials across five continents.

Forward Looking Statements

Certain information in this news release contains forward-looking statements with respect to the company's financial condition, results of operations or business or its expectations or beliefs concerning future events. Such forward-looking statements include the discussions of the potential new debt refinancing, the company's business strategies, estimates of future global steel production and other market metrics and the company's expectations concerning future operations, margins, profitability, liquidity and capital resources. Although the company believes that such forward-looking statements are reasonable, it cannot assure you that any forward-looking statements will prove to be correct. Forward-looking statements may be preceded by, followed by or include the words "may," "will," "believe," "expect," "anticipate," "intend," "plan," "estimate," "could," "might," or "continue" or the negative or other variations thereof or comparable terminology. Such forward-looking statements are not guarantees of future performance and involve risks, uncertainties, estimates and assumptions that may cause the company's actual results, performance or achievements to be materially different. Additional information relating to factors that may cause actual results to differ from the company's forward-looking statements can be found in the company's most recent Annual Report on Form 10-K and elsewhere in the company's filings with the Securities and Exchange Commission. You should not place undue reliance on any of these forward- looking statements. Any forward-looking statement speaks only as of the date on which it is made, and we undertake no obligation to update any such statement to reflect new information, or the occurrence of future events or changes in circumstances.
