- 1. CONTRACT.** These terms and conditions, together with the terms set forth in the purchase order / confirmation (collectively, the "Terms"), (a) constitute the entire contract between the seller named in the purchase order / confirmation ("Seller") and TMS International Canada Limited (f/k/a Tube City IMS Canada Limited) ("Buyer") with respect to the transaction described in the purchase order / confirmation, regardless of whether Seller has acknowledged acceptance of the purchase order / confirmation and / or these terms and conditions, and (b) expressly limit Seller's acceptance to the Terms. If the purchase order / confirmation is construed as an acceptance or a confirmation acting as an acceptance, then Buyer's acceptance is EXPRESSLY CONDITIONAL ON SELLER'S ASSENT TO ANY TERMS AND CONDITIONS CONTAINED HEREIN THAT ARE DIFFERENT FROM OR ADDITIONAL TO THOSE CONTAINED IN SELLER'S WRITING. Further, if the purchase order / confirmation is construed as the offer, acceptance thereof is EXPRESSLY LIMITED TO THE TERMS AND CONDITIONS CONTAINED HEREIN AND BUYER HEREBY EXPRESSLY OBJECTS TO ANY ADDITIONAL OR INCONSISTENT TERMS OR CONDITIONS; NO SUCH ADDITIONAL OR INCONSISTENT TERMS OR CONDITIONS SHALL BE BINDING ON BUYER UNLESS AGREED TO IN WRITING BY BUYER. Buyer's acceptance of Seller's sales confirmation or other writing, or commencement of performance (including payment for the material) shall not constitute acceptance of any of Seller's terms and conditions. In any event, Seller's assent to the Terms shall be conclusively presumed from Seller's (a) acceptance of the Terms by checking the box on the electronic purchase order / confirmation, (b) receipt of the purchase order / confirmation without written objection sent to Buyer within ten (10) days after receipt of same, (c) procurement, preparation and / or shipment of any of the material to be sold hereunder after receipt of the purchase / order confirmation, or (d) acceptance of all or any part of Buyer's payment for the material ordered.
- 2. PRICE AND CONDITIONS OF ACCEPTANCE; PAYMENT.** If an F.O.B. point is not otherwise specified in the purchase order / confirmation, the price stated is F.O.B. delivered to the consignee. Regardless of the point of delivery, all material shall be received subject to acceptance of the material by Buyer's ultimate consumer (the "consumer"), with the weights, specifications and grading of that consumer to govern, or if no ultimate consumer is known at the time of shipment, all material shall be received subject to acceptance by Buyer, with the weights, specifications and grading of Buyer to govern. All costs incurred to satisfy such consumer's (or Buyer's, if applicable) delivery requirements will be for Seller's account. Despite any shipping terms or arrangement, Seller shall have risk of loss for all material shipped until received and accepted by the consumer (or Buyer, if applicable), at which time title to and risk of loss with respect to the material shall pass to the consumer (or Buyer, if applicable). Rejected material remains Seller's property at Seller's risk and subject to Seller's disposition. Seller must load clean transportation equipment. Any expense or shortage incurred because of foreign matter in the shipment or because equipment is loaded in excess of or less than carrier's loading rules will be paid by Seller. Payment terms are as set forth in the purchase order / confirmation. If no payment terms are specified, the net amount shall be payable within 45 days after the later of (a) delivery and acceptance of the material or other performance conforming with the Terms, and (b) Buyer's receipt of Seller's invoice. In all cases, Seller must mail the original invoice, including any receiving / weight tickets, if Seller is paying the freight, to Buyer to receive payment. Unless otherwise stated in the purchase order / confirmation, the price stated includes all duties, levies, freight charges, insurance charges, and any other charges whatsoever in connection with the sale or delivery of the material.
- 3. WARRANTY.** In addition to all other warranties express or implied with respect to the sale of the material, Seller warrants to Buyer that (a) Seller has good and marketable title to the material, and the right to transfer such material free and clear of all liens, restrictions, and / or encumbrances, (b) the material will conform to the specifications and / or other descriptions set forth on the purchase order / confirmation, and any samples provided or shown to Buyer, and (c) the material and its sale and transportation hereunder will comply with all applicable federal, provincial, state or local laws, ordinances, rules and regulations.
- 4. BUYER'S RIGHTS; FORCE MAJEURE.** Time shall be of the essence in the performance of this contract. In the event of nonconformity, non-delivery, partial delivery or late delivery, Buyer may, at its option, (i) cancel this contract, or (ii) replace the material in the open market after due notice and within a reasonable period of time and, in either case, recover from Seller, at Buyer's option, (a) the Buyer's anticipated profit from the sale of the material to the consumer, or (b) the difference between the market price of the material at the time of replacement and the contract price (if Buyer elects to replace the material); provided, however, that Buyer's cancellation of the contract shall not be a necessary condition of any such recovery. The foregoing rights and remedies of Buyer are in addition to all of its other rights and remedies under this contract or at law. Without prejudice to any other right or remedy it may have, Buyer reserves the right to set off at any time any amount owed to it by Seller against any amount payable by Buyer to Seller under this contract or any other contract between the parties. No extension of time granted by Buyer shall constitute a waiver of this provision. Buyer shall not be liable for any delay or failure of performance due to a request for delay by the consumer, strikes, acts of God, or other causes beyond its control, provided that Buyer shall have given notice to Seller of any such cause for delay or anticipated delay promptly following the commencement thereof. If any delay in Seller's delivery impairs Buyer's ability to meet its delivery schedule to the consumer, Buyer may, at its option, and without liability to Seller, cancel this contract and any outstanding deliveries hereunder in whole or in part.
- 5. SELLER'S INDEMNITY (INCLUDING ENVIRONMENTAL INDEMNITY).** Seller represents and warrants that the material furnished by Seller hereunder does not contain closed containers (including uncut steel rollers), or any hazardous materials, including, without limitation, gasoline, petroleum products, explosives, radioactive materials, hazardous wastes, hazardous or toxic substances, polychlorinated biphenyls or related or similar materials, asbestos or any material containing asbestos, or any other substance or material that may be defined or listed as a hazardous or toxic substance, or otherwise regulated by any federal, provincial, state or local law, ordinance, rule or regulation including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. §9601, et seq.), the Hazardous Material Transportation Act (49 U.S.C. §1801, et seq.), the Resource Conservation and Recovery Act (42 U.S.C. §6901, et seq.), the Federal Water Pollution Control Act (33 U.S.C. §1251, et seq.), the Federal Clean Air Act (42 U.S.C. §7401, et seq.), or the Toxic Substances Control Act (29 U.S.C. §651, et seq.), in each case, as amended or supplemented from time to time, and any regulations adopted and publications promulgated pursuant thereto and

analogous federal, state, provincial or local statutes. Seller acknowledges that Buyer is relying on Seller's representations and warranties made in the Terms in connection with its agreement to enter into this contract. Seller agrees to indemnify, defend and save harmless Buyer, its affiliates and their respective officers, directors, employees, contractors and agents (collectively, the "Indemnified Parties") from and against any and all loss, liability, expenses, claims, demands, actions and causes of action including attorneys' fees and costs (collectively, "Losses") that arise from or in connection with the sale, transportation or use by any of the Indemnified Parties, or any of their customers, of the material furnished by Seller hereunder or from any breach or violation of any of Seller's representations or warranties made in the Terms. For purposes of clarification, Seller's indemnification obligations shall include and cover (without limitation) any Losses incurred by any of the Indemnified Parties, or any of their customers, as a result of the material furnished by Seller hereunder (i) being used by an ultimate consumer in the production of steel or any other metallic product, and (ii) causing such steel or other metallic product to be rejected or downgraded by such consumer due to unanticipated levels of copper, nickel, tin, molybdenum, chromium, lead, sulfur, or other elements.
